Re: *McDonald v. City of Troy, et al.*, 1:18-CV-01327 (DNH/CFH)

Dear Judge Hummel:

I represent plaintiff Dahmeek McDonald.

I write to request a four month extension of the deadline for mediation. Currently, the deadline for the completion of mediation in this case is June 7, 2019. This date was selected at the Rule 16 conference on February 12, 2019.

I request an extension of this deadline to October 7, 2019.

The basis for this request is as follows.

My client, Mr. McDonald, is incarcerated and is being held in Groveland Correctional Facility, located southwest of Rochester, NY. He has been at Groveland since approximately the Summer of 2018.

As he will not be able to be physically present at the mediation, it is imperative that I have a full opportunity to meet with him in advance to discuss the case and his settlement position in detail. Unfortunately, I have not been able to do this. I met with Mr. McDonald numerous times prior to the filing of the action, but not since that time. The reason I have not been able to meet with him to discuss settlement is that I started a position with the NYS Senate in January, 2019. I significantly underestimated the amount of time this position would require while the legislature is in session. The Senate position has required most of my time since January. I simply have not had an opportunity to travel to Groveland Correctional Facility to meet with Mr. McDonald. The legislative session is scheduled to end June 19<sup>th</sup>. I plan to arrange a visit with Mr. McDonald in July. It is likely that we will need to meet more than once prior to the mediation. This is the reason that I ask for the mediation deadline to be extended until October 7<sup>th</sup>, to ensure that there is sufficient time for us to have the full discussions that will be necessary.

The parties selected Randolph Treece to serve as the mediator. I informed both Judge Treece and Mr. Morrissey of my intention to request an extension of time. Both graciously consented to an extension, provided it is acceptable to the Court.

The discovery deadline in this case is March 2, 2020. A delay in the mediation process might, in turn, require an extension of the discovery and other deadlines. However, I do not know for certain at this time whether that will be necessary. Therefore, I am not requesting any other extension at this time, but reserve the right to do so later if it proves to be necessary.

Thank you for your kind consideration of this request.

Please contact me if there are any questions or if additional information is needed.

Thank you.

Very truly yours,
